Maryland 19th in Sears Directors' Cup

In final standings released by the National Association of Collegiate Directors of Athletics (NACDA), the Terrapins' program was ranked tied for 19th out of 306 Division I schools last year. It is the highest finish for the Terps since the rankings began five years ago, and Maryland's 38-position jump from the No. 57 spot in 1994-95 is the greatest in that time by a school not previously ranked in the Top 25. The Maryland men's lacrosse team contributed 80 points to the school's Sears Directors' Cup ranking by reaching the national championship game.

University Mission Statement

The University of Maryland is the flagship of the state's higher education system and a prestigious public research university, known for academic excellence in undergraduate and graduate education. The faculty is at the leading edge of scientific, technological, intellectual, and artistic discovery, while remaining focused on teaching. Providing the broadest range of highly challenging programs for the most talented students, the University of Maryland's state-of-the-art facilities and diverse campus community offer an ideal educational atmosphere and a location connecting faculty and students to unlimited resources for scholarly exploration and practical experience. The university also serves the state and region through application of research and expertise to address societal issues and promote economic growth.

University of MARYLAND

Excellence In Education

There is no better place to be than the University of Maryland. As *Washingtonian* magazine noted in its December, 1997 issue, "...kids are turning down schools like Princeton and Virginia to go to College Park." With its top-ranked academic programs, nationally recognized faculty, diverse population and lush 1,580-acre campus located between Washington, D.C. and Baltimore, Md., it's no wonder the University of Maryland is a sought-after destination for some of the state's — and the country's — best and brightest students.

Attracting them are more than 100 majors and some of the highest-ranked programs in the country. For instance, in the 1998 *U.S. News and World Report* rankings of graduate schools, the Clark School of Engineering was ranked 13th in the nation, the School of Public Affairs was ranked 27th, and also was named one of the country's 25 best business schools for entrepreneurs hy *Success* magazine. And, the university's School of Music was ranked 30th in the country in the first *U.S. News and World Report* reputational survey of arts programs since 1994.

The reputation of the School of Music promises to grow when the Maryland Center for the Performing Arts opens in 2000. With a 1,200-seat concert hall, a 300-seat recital hall, a 650-seat proscenium theater, a 200-seat dance studio and a 200-seat experimental theater with state-of-the-art lighting, acoustics and theatrical design elements, it will be an ideal home for university-based performing arts programs.

For exceptional students seeking an exceptional education at the University of Maryland, College Park, there are a number of programs designed to enrich the learning experience. Among them are the Honors Program, ranked among the nine best in the country by *Ivy League Programs at State School Prices*; College Park Scholars, which encourages students who share common intellectual interests to live and study together in 10 specialty areas; and the Gemstone Program, which links student teams from engineering, the humanities, business and the physical sciences in a four-year research project.

Supporting the research needs of students and faculty are some of the country's best research facilities. In 1994, the largest, most technically advanced research archives in the world — National Archives II — moved to College Park. In addition, just outside of College Park are the Library of Congress, the Smithsonian Institution and the National Libraries of Agriculture and Medicine, among others. The university itself has the most comprehensive library system in the area.

The University of Maryland, College Park, as the flagship campus of the state higher education system, is a vital part of Maryland's current prosperity and its vision for the future. For students here, the state offers a bounteous extension of the campus' own wealth of opportunity.

High tech, engineering and service industries thrive in proximity to the campus, offering a wide spectrum of internship and work-study opportunities that only a major metropolitan area can provide. The Kennedy Center alone houses the National Symphony Orchestra, five performance stages, an opera company, and the American Film Institute. In Baltimore, one of the great ports of the world, the Inner Harbor has become a cultural magnet for thousands of tourists each year, offering the National Aquarium, the Maryland Science Center, and other attractions.

Whether your focus is the sciences or the humanities, a small town atmosphere or a metropolitan feel, the University of Maryland, College Park offers a wide range of educational and cultural opportunities. There is no better place to be than the University of Maryland, College Park.

Defending ACC Champions

President C.D. Mote Jr.

C.D. (Dan) Mote Jr. started his tenure as president of the University of Maryland, College Park, with the same three-word slogan that has guided his entire academic career: "Quality, Quality, Quality."

From his first day in office, Sept. 1, 1998, Mote has shaped his agenda around the achievement of high quality in every aspect of university activity, from students to sports, and from research to community involvement. Fortunately, Maryland was already well on its way.

"Maryland is a university on the move," Mote said. "That's why I am so excited by this position after spending almost my entire academic career at Berkeley. We have a goal to achieve a place among the 10 highest quality universities in America, and I know in my bones that is an achievable goal."

Achieving quality has been Dan Mote's life, from his student days at the University of California at Berkeley, where he earned all of his degrees, through his years as an outstanding teacher and world-renowned researcher and his leadership of a highly successful capital campaign at Berkeley. He arrived in College Park determined to continue the same level of achievement in his new post.

After earning his doctorate in Engineering Mechanics from Berkeley in 1963, Mote spent a year as a research fellow at the University of Birmingham in England, then three years as assistant professor of mechanical engineering at the Carnegie Institute of Technology in Pittsburgh before returning to Berkeley in 1967.

There he stayed for more than 30 years before coming to Maryland. He earned tenure in 1969 in the Mechanical Engineering Department, and was promoted to Professor in 1973.

Mote served two terms as vice chair of Mechanical Engineering and served as chair from 1987 to 1991. At that time, he was appointed to the FANUC Chair in Mechanical Systems in addition to being named vice chancellor for University Relations, the post he held until accepting the presidency at Maryland in 1998.

Mote has participated with distinction in every phase of the academic enterprise, including classroom teaching, working with students, basic research, applied research and service to the university and the community.

Much respected by his students, Mote earned the 1971 Distinguished Teaching Award and the 1975 Pi Tau Sigma Excellence in Teaching Award for the University of California. He has supervised more than 50 doctoral students, including several who are still in progress, and more than 60 master's theses. He continued teaching and supervising graduate students even during his administrative assignments, and several of his graduate students from Berkeley commute to Maryland to meet with him as they finish their projects. Mote has stated his intention to teach and work with graduate students at Maryland as well.

Mote's research activities have focused on dynamic systems, instrumentation, vibration and biomechanics. He has achieved international recognition for his work on gyroscopic systems, including high-speed translating and rotating systems such as circular and band saws, computer memory disks and tapes. He also has researched the biomechanics of ski injuries and developed safer ski bindings as a result. His research has resulted in more than 300 scholarly publications as well as patents in the United States, Norway, Finland and Sweden.

A registered professional engineer in California, Mote has served in numerous capacities for professional societies, including the National Academy of Engineering (NAE), the American Society of Mechanical Engineers (ASME) and the American Society for Testing and Materials (ASTM), and is co-editor of its biannual research series, "Skiing Trauma and Safety."

Mote's work has been supported continuously since 1962 by the National Science Foundation, and he also has received research fellowships from the Royal Norwegian Council for Scientific and Industrial Research. The American Society of Mechanical Engineers International elected him to honorary membership in 1975, and he has been elected as well to fellow grade in the International Academy of Wood Science, the Acoustical Society of America and the American Association for the Advancement of Science.

He was elected to the prestigious National Academy of Engineering in 1988, and in that same year was awarded the Humboldt Prize by the Federal Republic of Germany. In 1991, the Japan Society for the Promotion of Science awarded him a fellowship.

In 1992, he conceived, designed and implemented a $1.1 billion comprehensive capital campaign, which had achieved more than $800 million at the time he left Berkeley.

Shortly after he arrived at Maryland, this university's ongoing capital campaign passed the halfway point more than four months ahead of schedule, but Mote has said repeatedly that development and capital campaigns are not about raising money.

"It's about building relationships, with alumni, with business and government, with students and parents. We build those relationships by connecting the alumni and friends of the university with the quality people and quality programs on campus. If we succeed in building authentic relationships, fund-raising happens as naturally as water flowing downhill."

Mote and his wife Patsy live in the President's Residence on the College Park campus. They have two grown children.

Did You Know?

★ Maryland has top 20 ranked programs in engineering, computer science, physics, journalism, business, art history, economics, criminology, mathematics, oceanography, astronomy, education, agricultural economics and others.

★ The University Honors Program was selected as one of the nation's nine best in ARCO's Guide to Ivy League Programs at State School Prices.

★ College Park has the state's largest concentration of academically talented students. More than one-third of new students are in invitation-only Honors, College Park Scholars or Gemstone programs.

★ The university collaborates with more than 280 businesses through its Maryland Industrial Partnerships program. The university's incubator has spawned 20 new companies; three have been recognized as among the fastest growing in the state.

★ Maryland is the only university in the southeast quadrant of the United States to have both engineering and business programs ranked in the top 25 by U.S. News and World Report. The College of Education also ranks in the top 25.

Maryland

TERRAPINS

Among the Nation's Best

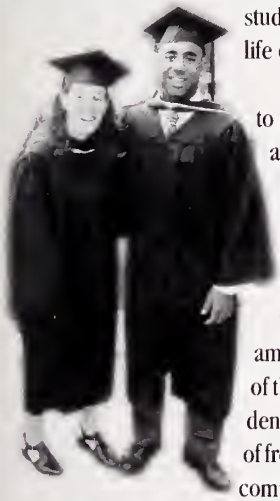
This is Maryland Athletics

At the University of Maryland, winning is not taken lightly. Like the rich history of all its sports programs, championships are a tradition.

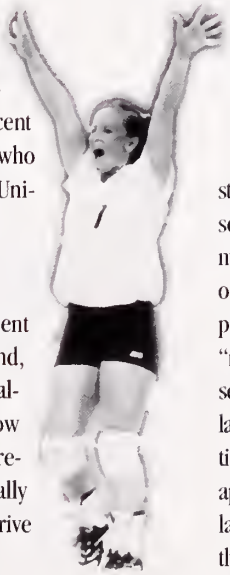
Since the 1950s, Maryland has established itself as one of the most successful athletic programs in the nation. This type of success is no accident; it has been built year-by-year on the achievements of outstanding young men and women who were given the opportunity to excel both on and off the field of play. The victories, the championships and the national acclaim are all ingredients of the Maryland athletic program. Student-athletes who attend Maryland are part of a program and a university which thrive on tradition and excellence.

Academic Excellence

The University of Maryland considers intercollegiate athletics an integral part of the collegiate experience. Its existence provides an opportunity for students, faculty, alumni and students to share in the life of intercollegiate athletics.



The Department of Intercollegiate Athletics strives to achieve the same standards of excellence in its athletic program as exist within the university's teaching, research and public service programs. The department embraces the concept that the student-athlete is first and foremost a student, possessing academic abilities, personal interests and ambitions comparable to those of the other members of the student body. Since 1983, 88 percent of freshmen scholarship athletes who completed their eligibility at the University of Maryland earned their degrees.



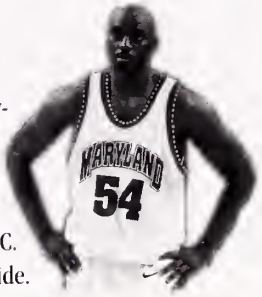
Goals

The great thing about being a Terrapin is the commitment to hard work and dedication. At the University of Maryland, the athletic department is dedicated to supporting a well-balanced Division I program. Athletic director Deborah A. Yow and her dedicated coaches, administrators and staff have re-engineered the department into a responsive and financially sound model — with a clear vision and a determined drive toward national prominence.

Athletic Success

National championships, conference championships, national rankings and postseason play are all a part of the University of Maryland experience. The University of Maryland has established itself as one of the nation's elite athletic programs. The Terrapins have won 13 national championships, including a record four consecutive by the women's lacrosse team. The Terrapins had plenty of reason to celebrate when it came to intercollegiate athletics in 1997-98, as they posted their highest finish ever (No. 19) in the national Sears Directors' Cup all-sports ranking. Its 38-position jump from the No. 57 spot in 1994-95 is the greatest in that time by a school not previously ranked in the top 25.

Competition



Wearing the Maryland uniform means playing in front of some of the loudest and most supportive fans in the nation. It means playing against the best teams in the country, in the most prestigious conference in the country, the ACC. It means wearing the school colors with pride. It means doing your best in athletics and academics. It is a unique and special feeling being a Terrapin.

Athletes in the Community

From the media spotlight to the community spotlight, Terrapin student-athletes strengthen the ties of the local community by serving as role models. Community service is a key part of the Terrapins' agenda. Student-athletes support many community programs which help to enrich the lives of Maryland youth while teaching the importance of studying hard and saying "no" to drugs and alcohol. Representatives from the University of Maryland athletic department speak to participants and use their image and the appeal of sports to encourage Maryland children to stay in school, improve their reading and writing skills, and to receive their high school diplomas.

Athletic Director Deborah A. Yow

The University of Maryland athletic department has made remarkable progress under the leadership of Deborah A. Yow over the past four years. Budgets are now balanced and the inherited operating debt of almost $7 million has been paid in full. There is a spirit of excitement and pride at Maryland and the department has a clear vision for its future.

In her inspiring first meeting with the staff, shortly after she was named A.D. in the summer of 1994, she challenged the Terrapin athletic department to "raise our sights and sharpen our tools...to work hard and work smart...to recognize that our only limitations are those which we place upon ourselves."

Yow has rallied the department toward the achievement of five strategic goals:

1) Generate significantly higher revenues with increased corporate sponsorships, aggressive marketing and more effective fund-raising;

2) Boost the graduation rate of Terrapin athletes to a level equal to the general student body;

3) Raise the level of competitive achievement nationally and in the Atlantic Coast Conference, while carefully complying with ACC and NCAA rules;

4) Develop a streamlined, highly efficient athletics organization;

5) Provide outstanding customer service.

In achieving most of these goals over her first four years as athletic director, Yow and her dedicated coaches, administrators and staff have re-engineered the department from a debt-ridden, under-achieving organization to a responsive and financially sound model - with a clear vision and a determined drive toward national prominence. Maryland now ranks in the top 10 percent of all NCAA Division I programs competitively across all sports, is competing effectively in the ACC, and set an enviable record of 150 All-ACC academic honor roll student-athletes. Corporate sponsorship revenues are up 265 percent and annual fund-raising for scholarships has increased 60 percent. Maryland is a remarkably improved athletic program.

In 1997, Yow formed the employee "Committee on Quality in the Workplace" to recommend initiatives to improve working conditions and to design programs to recognize the value of athletic department employees. This has proved to be a wonderful tool in recognizing the worth of the university's outstanding employees across the department. There is a compelling sense that the Terrapin athletic department is a *family*, with a common goal and a shared purpose.

Maryland's athletic director recently observed, "We have the finest coaches, support staff, and administrative team in America. It is because of their courage, hard work, and cooperation that we now have a strong, viable athletic program. I am immensely proud of each of them. I am equally proud of our Terrapin fans who buy tickets and our Terrapin Club members who faithfully support the Maryland athletic program with their donations for scholarships, and the Maryland Educational Foundation and M Club members who serve and give liberally. We have a great Terrapin family. That's the foundation for all our successes...and the basis for our bright future."

Regarding the many achievements of the Terrapin athletic program, Yow says, "We are pleased, but we are not satisfied...our vision is to be one of the top 10 programs in the nation consistently...we see no reason to settle for less." Yow, who is a member of the NCAA Management Council and other prestigious national groups, is known for her goal-oriented and proactive management style. She consistently inspires and expects maximum effort from herself and those around her. Her words set the tone for everyone in athletics: "Winning isn't everything, but the *will* to win is." She points out that this applies in the classroom, on the field of competition, and in life.

A former basketball coach, Yow was the first male or female at the Division I level to lead three schools (Kentucky, Oral Roberts, Florida) to their first-ever appearances in the national Top 25. Her previous significant administrative experience came at the University of Florida and the University of North Carolina-Greensboro and as a pioneer female athletic director at Saint Louis University (1990-94).

The Maryland athletic department staff is working as a focused, talented and determined team under the dynamic leadership of Dr. Deborah A. Yow and is realizing steady and remarkable progress across all areas, *with the best yet to come.*

With a clear vision and with high aspirations for Maryland athletics, the Terps prepare to enter the new century on a dramatic upward thrust. The athletics staff embraces this prospect, with gratitude for its successes and with renewed determination to further enhance the program's national stature. It has the skill and determined leadership to reach its lofty goals, as a part of this great university. And it will.

Yow Elected 2nd VP of NACDA

Deborah A. Yow was elected second vice president of the National Association of Collegiate Directors of Athletics this past June and is scheduled to assume the organization's presidency in July 2000. Her term as second vice-president began July 1. Now in its 33rd year, NACDA serves as the professional and educational association for more than 5,100 college athletic directors, associates, assistants and conference commissioners at more than 1,600 institutions throughout the United States, Canada and Mexico. Yow is the second woman to serve as an officer of NACDA (Barbara Hedges, athletic director at the University of Washington, held office from 1994-97).

Athletic Administration

Rob Mullens

Sr. Associate Athletic Director for Internal Operations

Rob Mullens, who joined the Terps' staff as assistant athletic director for business in the summer of 1996,-was elevated to senior associate athletic director for Internal Operations in February 1999.

Mullens graduated cum laude in 1991 from West Virginia with a degree in business administration. He earned a master's degree in sport management at WVU in 1993. Prior to his appointment at Maryland, he was senior business manager and the chief budget officer for the University of Miami (Fla.) athletic department (1994-96).

He is married to Jane Mullens, who is the Terrapins' assistant athletic director for compliance.

Dave Haglund

Associate Athletic Director for Sports and Media Relations

Dave Haglund joined the University of Maryland athletic staff in January of 1998 following a 16-year career in the sports information office at Fresno State University.

A 1981 graduate of Oregon State University, Haglund began his sports information career as an assistant SID at Fresno State in 1981 and was elevated to sports information director in 1996. During the course of his career at Fresno State, he served as the primary contact person for the Bulldogs' nationally ranked Division I football, basketball, baseball and soccer programs. Fresno State led the nation in attendance in baseball, soccer and softball and was among the West Coast leaders in attendance in men's basketball during his time at the central California school.

Haglund and his wife, Cindy, are the parents of two children: Samantha (5) and Matthew (3).

Jane Mullens

SWA / Asst. Athletic Director for Compliance

Jane Mullens was named assistant athletic director for compliance and certification this past May after spending the previous two years as the department's compliance coordinator. She is the senior women's administrator and serves as the department's senior level manager in NCAA compliance and certification matters related to recruiting, eligibility, financial aid and rules education.

Mullens earned a bachelor's degree from Western Washington University in 1992 and a master's in sport management from University of Miami (Fla.) in 1994. She was an assistant in the compliance office at Miami in 1995 before being promoted to compliance coordinator in January 1996.

She is married to Rob Mullens, Maryland's senior associate athletic director for Internal Operations.

Academic Support & Career Development

The University of Maryland considers intercollegiate athletics an integral part of the collegiate experience. Its existence provides an opportunity for students, faculty, alumni and students to share in the life of intercollegiate athletics.

The Department of Intercollegiate Athletics strives to achieve the same standards of excellence in its athletics program as exist within the university's teaching, research and public service programs. The department embraces the concept that the student-athlete is first and foremost a student, possessing academic abilities, personal interests and ambitions comparable to those of the other members of the student body.

The mission of the Academic Support and Career Development Unit, headed by assistant athletic director Demetrius Marlowe, is to provide quality developmental programs and need-based services that will enhance the academic progress, facilitate the career development, and encourage the psychosocial growth of every student-athlete.

The department embraces the concept that the student-athlete is first and foremost a student.

MAPS Directory

This directory, produced annually by the Department of Intercollegiate Athletics, is intended to assist graduating Terrapin student-athletes as they begin their professional careers. Distributed to more than 1,000 corporations and businesses around the region, prospective employers are introduced to our graduating student-athletes with resume information relative to academic, career and personal achievements.

Terp Choices

Terp Choices is a program designed to guide student-athletes by orienting, supporting and increasing awareness of the relevant issues pertaining to student-athletes in today's world. The focus of the program is making personal choices and how they may affect an entire team, not just a single individual. Education and interactive workshops are presented to the athletic team and are led by student educators.

Career Information Fairs

Career Awareness in Academic Support is expanding to include a variety of programs which will be offered for student-athletes throughout the semester. Career awareness will be an ongoing process and will include assistance with resume writing and interview skills. The end of the semester will bring a career awareness fair which will host a number of professionals with whom student-athletes can learn about career interests and planning. Unlike typical "job fairs," the purpose of this program is to allow student-athletes to explore multiple career opportunities by speaking directly to individuals in their chosen area of interest.

Team Maryland

Team Maryland is a class taught in conjunction with the campus' Center for Political Leadership in which student-athletes are exposed to leadership and public speaking skills and techniques. The program consists of a group of volunteer student-athletes who learn about the challenges for children in the community by speaking to different elementary schools about drug abuse and the importance of education.

In conjunction with the campus' Center for Political Leadership, participants are taught leadership skills and public speaking techniques to use in their school-based presentation. In addition to school visits, Team Maryland has hosted visits from local schools to our campus.

Strength & Conditioning

Collegiate lacrosse has evolved to the point where total physical preparation is necessary to successfully compete on the Division I level. It has become extremely important to strength and conditioning coach Damian Stephens that all of the Terrapin athletes are prepared through training to maximize their athletic development in terms of strength and conditioning. The high level of dedication by the members of the lacrosse team has brought about spectacular achievements in the weight room and in competition.

The objective of the strength and conditioning program for lacrosse is based on the enhancement of performance as well as the prevention of injuries. Stephens makes every attempt to accommodate the different training needs of each individual athlete.

Damian Stephens

The preparation of a student-athlete to compete in lacrosse goes beyond strength and power training in the weight room. Speed improvement, flexibility, plyometrics, nutrition, agility and conditioning are also important ingredients in the preparation of the lacrosse team here at Maryland. The strength and conditioning staff puts a great emphasis on improving the quickness of the Terps through increased mechanical efficiency and the improvement of acceleration of maximum velocity.

1999 Season Preview

The Maryland Terrapins are primed and ready for another shot at the NCAA championship in 1999. After reaching the title game in three of the last four years, Dick Edell is looking forward to returning three second team All-Americans. The defending ACC champions are seeking to build on last year's success and return to the NCAA Tournament for a school-record tying ninth consecutive year.

Goalies

Maryland looks to redshirt junior **Kevin Healy**, the ACC's Player of the Year in 1998, between the pipes. In his first year as the Terps' starter, Healy had a phenomenal season in which he was named a USILA second team All-American, first team All-ACC and ACC all-tournament selection. Healy set a school record with 14 wins in a season allowing just 9.03 goals per game. He made 212 saves for a .599 save percentage, which ranked him among the national leaders.

Edell is very high on his goalie, who he feels is even better prepared for the 1999 season. "The neat thing about Kevin is that after a season in which he gets all the plaudits," said Edell, "his work ethic if anything has increased this spring. He is directing our defense and is a very vocal young man."

Backing up Healy are a pair of sophomores, who Edell praises for their hard work ethic even though they will see limited action. Left-handed **Pat McGinnis** and right-handed **Jarrod Norkus** will serve as the understudies again this year. Last season, they combined to play in five games allowing just three goals.

Defense

The coaching staff feels the Terrapins have the potential for three All-Americans on defense. The team returns a pair of honorable mention All-Americans in senior captain **Chris Lamy** and junior **Casey Connor**. Along with junior **Jason Carrier**, who rotated as a starter last season, the Terps have one of the top backlines in the nation.

"The defense works extremely hard," said Edell. "Lamy will play the top right-handed attackman in our matchups. Connor has that mean streak that I like in our defenders. He will lead the defense to offensive rushes. Carrier is a very intelligent defenseman, who isn't flamboyant, but is very efficient and gets the job done on defense."

All-American Kevin Healy

Attack

The Terrapins look to senior captain **Scott Hochstadt** for leadership on a young attack line. Hochstadt, who teamed with Matt Hahn and Andrew Whipple to form one of the nation's top units last year, is the lone returning starter up front. Hochstadt has had a decorated career at Maryland. Last season he was named a second team All-American, first team All-ACC and the ACC Tournament Most Valuable Player after leading Maryland to its first ACC tournament championship.

Hochstadt is the Terps' leading returning scorer, after netting 48 goals last season, second in the nation behind teammate Hahn, and totaling 66 points.

"Scott is as good as any attackman in the nation," said Edell. "He has all the skills. He is tougher than the typical attackman, and is a great rider and physical player. I expect a banner season from him."

To team with Hochstadt, the Terps will look to junior **Marcus LaChapelle** and redshirt sophomore **Jon Kemezis**.

LaChapelle makes the transition from midfield to attack in 1999. Edell moved him to attack because he "gives the team the best combination of skills and makes good decisions under pressure."

A breakout season is expected for Kemezis, who scored 12 goals and tallied 17 points in his first season with the Terps last year. Kemezis is the quickest attackman on the team and has great ability to change direction on the move.

Midfield

Maryland's first midfield is headed by redshirt junior **Brian Zeller**, a second team All-American in 1998. Zeller is the team's second-leading returning scorer after registering 33 points (20 goals and 13 assists) last season. Edell puts Zeller , who was also a first team All-ACC selections and a member of the ACC all-tournament team, atop the nation's best midfielders.

"He is as good as any midfielder," said the coach. "He has a powerful shot and does a great job of getting up and down the field."

The first midfield will also feature redshirt sophomore **Dan Hughes** and sophomore **Chris Malone**. Both players saw action last season, but did not start any games.

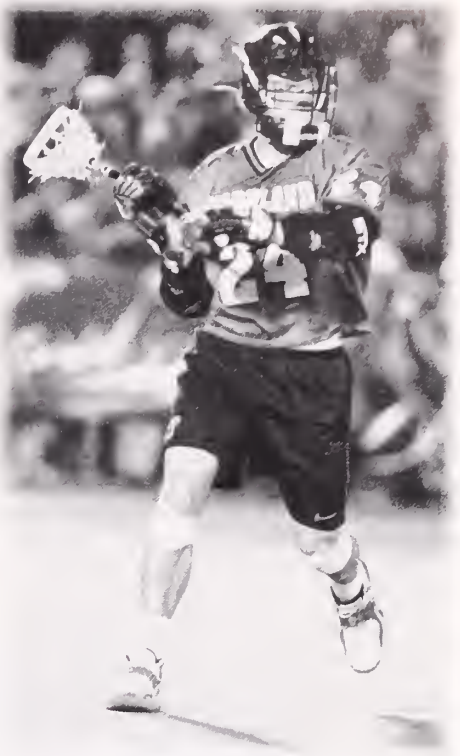
"Hughes will be key to our success because of his left-handed shot," said Edell. "Malone is bigger and stronger since his freshman year and has a lot of confidence."

Senior captain **Erik Osberg** anchors the second midfield and comes off the wing on face-offs. "He has outstanding speed and athleticism," said Edell.

Also expected to see time on the midfields are senior **James Mollica** along with freshmen **Nate Watkins**, **Mike LaMonica**, **Matt Brock** and **Alex Poole**.

Defensive Midfield

Junior **Jeff Shirk** is the Terps' top defensive midfielder. Edell calls him "the prototype short-pole defensive midfielder in the game. He may be the toughest warrior on a team of warriors." Junior **Kyle Rannigan** is the team's second short-pole defensive middie.



All-American Scott Hochstadt

Junior **Geoff Burnham** inherits All-American Brian Reese's starting long-pole position. He is a defensive player that "will bring people out of their seats with defensive to offensive rushes," according to Edell.

Face-Offs

Maryland features one of the country's elite face-off tandems in senior captain **Brian Haggerty** and senior **Chris Nohe**. Led by that duo, Maryland won nearly 62 percent of its face-offs last season.

Haggerty led the nation in total face-offs won last season with 194. He also finished second in the country in groundballs, scooping up 128. "Brian is one of the most important parts of the team," said Edell. "He gives us a great advantage."

Nohe, who was the starting face-off man before redshirting in 1997 due to an injury, returns for what Edell calls a "big year" for him. Nohe won 60.2 percent of his face-offs to rank among the national leaders in 1998.

Schedule

Once again, the Terps face one of the nation's toughest schedules in 1999. Maryland faces seven teams that finished ranked in the final USILA Top 20 last season (#3 Johns Hopkins, #6 Virginia, #7 Duke, #9 UMBC, #10 North Carolina, #15 Penn State and #17 Navy.)

Maryland plays four games live on WMAR-TV as part of the station's state lacrosse package. The Terps host Duke on Mar. 7, play at Towson on Mar. 14, host Johns Hopkins in the Friday night special on Apr. 16 and close the season with a matchup against UMBC on May 8.

Then it is off to the NCAA Tournament which the Terps hope will conclude with their first title since 1975, right here at Byrd Stadium on May 31.

Head Coach Dick Edell

Dick Edell enters his 27th year of coaching and 16th at the Maryland helm following a historic season in 1998.

Edell became the all-time winningest coach in ACC history when the Terps upset No. 1 Loyola in the NCAA semifinals, 19-8 on May 23, 1998. With the win, Edell passed Jim Adams, who had recorded a 137-60 record with Virginia in 15 seasons.

Heading into the 1999 season, Edell's lifetime record at Maryland and in the ACC stands at 138-63.

With a lifetime record of 249-110 over the last 26 years following stints at the University of Baltimore, Army and Maryland, Edell is the second-winningest active coach. Ironically, the only coach Edell trails on the active list is Army coach Jack Emmer (265-140), who succeeded Edell when he came to Maryland.

Edell's overall winning percentage of .694 is also among all-time coaching leaders.

Edell has become a fixture in his 16 years in College Park. His players affectionately call him "Big Man," while his resume reflects why he is the "Big Man" among all lacrosse coaches.

Last year, he led Maryland to its third appearance in the championship game in the last four years. The Terps have also qualified for eight consecutive NCAA Tournament appearances and 11 overall with Edell at the controls.

Edell was named the National Coach of the Year by the USILA in 1978 and 1995. He was also selected as the ACC's Coach of the Year in 1989, 1992 and 1998, after leading Maryland to its first ACC championship since the format change in 1989.

Last season, Edell led Maryland to a school-record 14 wins, posting a 14-3 record. That victory total also marked the eighth time the Terps posted a double-figure win total under his leadership.

The only coach in Maryland history to post 100 victories, Edell led Maryland to a then-school record 12 wins in 1987 and 1995. The 12th victory in 1995 is considered by many the greatest upset in the 28-year history of the NCAA Tournament. The Terps upset previously undefeated and No. 1-ranked Johns Hopkins, 16-8, to advance to the championship game that year.

Edell is also considered one of the premier recruiters in the game, consistently attracting the nation's top talent to College Park year after year. Under Edell, 34 Maryland players have been named to the first, second or third All-America teams.

Five of his student-athletes have won Player of the Year recognition at their respective positions while 11 Terps have been named first team All-Americans. Former Terp and two-time national Goalie of the Year Brian Dougherty represented the United States at the 1998 World Championships.

Last season was especially sweet as goalie Kevin Healy was named the ACC Player of the Year and Scott Hochstadt earned ACC Tournament Most Valuable Player. Nine Terps were named to the All-America teams led by second teamers Hochstadt, Healy and Brian Zeller.

Edell came to Maryland in 1984 after seven tremendously successful seasons at Army. He compiled a 66-24 (.733) record with the Cadets and led them to four NCAA appearances.

He broke into the profession in 1973 at the University of Baltimore where he coached for four years and amassed a 45-23 (.661) record. He also coached Baltimore to a Division II soccer crown in 1975.

Edell was a two-time All-American at Towson State where he graduated with a bachelor's degree in physical education in 1967. He earned his master's degree in education from Western Maryland in 1970 and another master's degree in science from the University of Baltimore in 1976.

The 55-year-old Edell and his wife, Dolores, are the proud parents of four children. Their daughters Lisa and Krissy are both Maryland graduates, while their son Gregg is a junior and plays lacrosse at Dartmouth. Their youngest daughter, Erin, is in 10th grade.

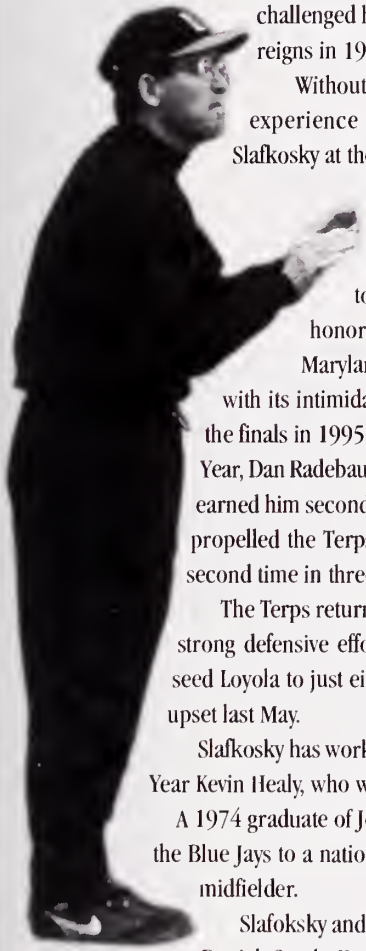
Dave Slafkosky

Defensive Coordinator
Johns Hopkins '74 • 16th season at Maryland

Dave Slafkosky and Dick Edell celebrate their 22nd year together as they ready for the 1999 season. When Edell came to Maryland, his only request was that "Coach Slaf" join him. Granting Edell's only request was a critical decision that ensured unprecedented success for the program.

Slafkosky was named the offensive coordinator when he joined the Terps in 1984. After leading Maryland to NCAA semifinals in 1987 and 1989, Edell challenged his old friend to take over the defensive reigns in 1991.



Without missing a beat, the Terps would soon experience the same success on defense with Slafkosky at the wheel. Maryland would return to the NCAA semifinal in Slafkosky's first year with the defense. Under Slafkosky's tutelage, Brian Burlace would go on to win National Defenseman of the Year honors in 1992.

Maryland's defense has become its trademark with its intimidating physical play. The Terps reached the finals in 1995, led by its National Defenseman of the Year, Dan Radebaugh. Defenseman Dave LaChapelle's play earned him second team All-America honors in 1997 and propelled the Terps into the championship game for the second time in three years.

The Terps returned to the title game in 1998, thanks to strong defensive effort in which Maryland held the No. 1 seed Loyola to just eight goals in a dramatic 19-8 semifinal upset last May.

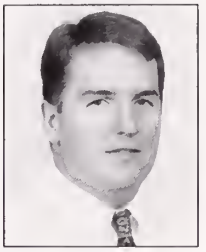
Slafkosky has worked heavily with 1998 ACC Player of the Year Kevin Healy, who was also a second team All-American.

A 1974 graduate of Johns Hopkins University, Slafkosky led the Blue Jays to a national championship his senior year as a midfielder.

Slafoksky and his wife, Michelle, have four children: Daniel, Sarah, Kevin and Alex.

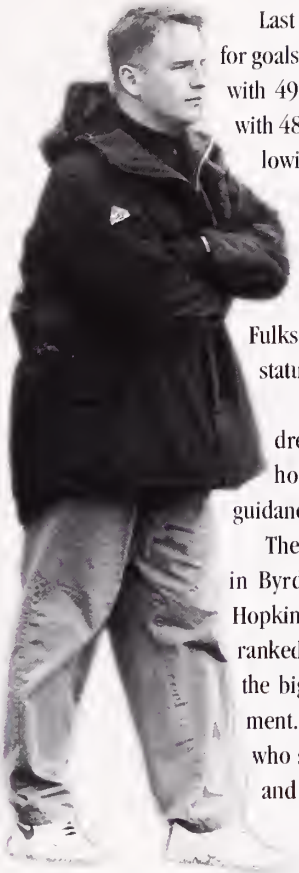
Scott Marr

Offensive Coordinator
Johns Hopkins '91 • 5th season at Maryland



Entering his fifth year at Maryland, Scott Marr has taken the Maryland offense to an elite level. The attack has averaged an impressive 13 goals per contest under Marr's direction and helped Maryland reach the championship game three of the last four years.

Under Marr's guidance, Matt Hahn and Andrew Whipple became two of the most storied scorers in the history of Maryland lacrosse. The dynamic duo combined to tally 370 points from 1995 through 1998.



Last season, the Terps shattered the school record for goals in a season with 236. Leading the way was Hahn with 49 and returning senior captain Scott Hochstadt with 48. Both attackers were named All-Americans following the 1998 season.

In his first year at College Park, 1995, the Terps shattered the school's offensive record books. Maryland found the net a then-school record 235 times that year. Marr coached Kip Fulks and Rob Chomo to second team All-America status in 1995.

In 1997, his starting attack of Matt Hahn, Andrew Whipple and Scott Hochstadt each earned honorable mention All-America honors under his guidance.

The highlight of Marr's coaching career took place in Byrd Stadium in 1995. Coaching against Johns Hopkins, his alma mater, Maryland outscored the No.1-ranked and previously undefeated Blue Jays, 16-8, for the biggest upset in the history of the NCAA tournament. On that Blue Jay squad was his brother, David, who set the Johns Hopkins record for career assists and graduated in 1996.

Marr earned his bachelor's degree in economics and history in 1991 from Johns Hopkins. His wife of seven years, Traci, gave birth to their first child, Kyle, on May 29, 1996. The couple had their second child, Jordyn, on Feb. 27, 1998.

The Marrs' dog, Otis, serves as the team's mascot.

Jon Stainbrook

Assistant Defensive Coach
Nazareth • 3rd season at Maryland

Jon Stainbrook enters his third year with Maryland as its assistant defensive coach. He joined the Terrapin staff after serving three years at Division III power Nazareth College.

Stainbrook led the Golden Flyers to a 36-6 record in three campaigns and three consecutive NCAA semifinal appearances.

In his playing days, Stainbrook was a defensmen for Herkimer College in 1987 and 1990. He also played for Cortland State in 1991 and 1992. Stainbrook served as a team captain with both squads.

Stainbrook graduated from Nazareth with a bachelor's degree in political science and a master's degree in education. He is currently enrolled in Maryland's graduate school of public affairs seeking a degree in international security and economic policy.

Game 1 • Feb. 21 • College Park, Md.
#6 Maryland 18, Villanova 5

Kevin Pasqualina scored a career-high three goals as the No. 6 Maryland Terrapins opened the season with a convincing 18-5 victory over Villanova at the Astroturf Field. Pasqualina was one of 12 different Maryland goal scorers in the game.

After leading 7-3 at the half, the Terps exploded with 11 goals in the final 30 minutes of play. Maryland dominated every statistical category, including a 59 to 17 edge in shots and 21-6 advantage in face-offs.

Other multiple goal scorers for Maryland included junior Scott Hochstadt, sophomore Brian Zeller and freshmen Jon Kemezis and Andrew Combs. Kemezis and Hochstadt each also recorded an assist.

Hochstadt opened the scoring eight minutes into the game with an unassisted goal. Although Villanova hung close to the Terps for most of the first half, goals by Zeller, and seniors Bill Ruhl and Andrew Whipple built a 7-3 lead going into halftime.

In goal for Maryland, Kevin Healy had six saves in his second career start. Other scorers for the Terps included seniors Frank Radin and Matt Hahn, juniors Erik Osberg and Marc Sullivan and freshman Chris Malone. Ruhl and sophomore Marcus LaChapelle each recorded two assists.

Game 2 • Feb. 28 • Durham, N.C.
#6 Maryland 15, #7 Duke 9

The sixth-ranked Maryland Terps outscored seventh-ranked Duke five to one in the final quarter en route to an impressive 15-9 victory in Durham, N.C. Terp senior midfielder Frank Radin scored a career-high four goals as the Terps opened their 1998 ACC season successfully.

The Blue Devils built a 5-3 lead midway through the second quarter only to see Maryland score five unanswered goals. Maryland junior All-America attackman Scott Hochstadt keyed the Terps surge, scoring four first-half goals.

Terp sophomore goalie Kevin Healy proved to be the difference as he stopped a career-best 22 shots in making only his third career start.

The Maryland defense kept Duke's offense in check all day by holding the Blue Devils' John Fay, a pre-season ACC MVP favorite, to zero points. The Blue Devils were also shut out on five extra-man opportunities. The Terps avenged two 1997 losses to their ACC foe; the game also pitted two of last year's NCAA semifinalists. Maryland improved its record to 2-0 (1-0 ACC), while the Blue Devils fell to 0-1 (0-1 ACC).

Game 3 • March 7 • College Park, Md.
#3 Maryland 17, #16 Towson 6

In the first quarter of the Maryland-Towson game, the Terps had 14 possessions and scored eight times. That's offense.

Over that same 15-minute stretch, the Tigers had control of the ball eight times, but Maryland limited them to one goal. That's defense. There isn't much more to the game except for goaltending, and the No. 3 Terps had that, too, with Kevin Healy chalking up a better than 2-to-1 saves to goals allowed ratio, as Maryland romped, 17-6.

No. 16 Towson (1-1) was not only outmaneuvered from the start, it was outnumbered throughout, as Maryland coach Dick Edell kept running in players.

Ten different players tallied goals for the 3-0 Terps and 11 were credited with assists.

The game had no sooner started when Scott Hochstadt took the ball out of the deep right corner and went all the way in for an unassisted goal, starting his eighth career hat trick. The junior was on the board again a couple of minutes later.

All told, the Terps had a dozen more possessions than Towson, as Brian Haggerty and Chris Nohe controlled the face-off circle, 17-6. "We stress getting and keeping possession," said Edell. "The other team can't make line switches and they're running backward while trying to defend."

Which is exactly the game Towson was forced to play most of the day. Hochstadt had three assists to go with his three goals and Matt Hahn added a hat trick and an assist. Terps freshman Andrew Combs, the son of Towson football coach Gordy Combs, also contributed three goals.

Game 4 • March 11 • College Park, Md.
#2 Maryland 14, #18 Penn State 6

Andrew Whipple registered a career-high tying six points via two goals and four assists to lead No. 2 Maryland to a 14-6 victory over No. 18 Penn at a chilly Byrd Stadium. The Terps outscored the Nittany Lions 10-3 over the final three quarters to earn their fourth victory of the year.

Matt Hahn tallied his 19th career hat trick. Hahn scored at least one point in his 49th consecutive career game.

Penn State came within one goal of the nation's second-ranked team when Todd Korte scored on an assist from Randy Kleinman with 4:14 remaining in the first quarter. The Terps would rally, however, to score four unanswered goals to put the game out of reach.

Other multiple scorers include Scott Hochstadt, Frank Radin and freshman Jon Kemezis. Erik Osberg, Dan Hughes and Bill Ruhl also got on the board for the Terrapins.

Terp sophomore goalie Kevin Healy contributed another solid effort to earn his fourth win of the season as he posted 15 saves and allowed only six goals.

Game 5 • March 14 • College Park, Md.
#2 Maryland 15, Cornell 8

Matt Hahn scored a season-high four goals as the No. 2 Terps defeated Cornell, 15-8, in a windy Byrd Stadium. Hahn stretched his point-scoring streak to 50 games with his third consecutive hat trick and 20th of his career.

After Cornell's Matt Wise knotted the score at 6-6 with an extra-man goal with 5:08 remaining in the second quarter, the Terps proceeded to score seven unanswered goals to put the game out of reach. Cornell employed a ball control offense, but Maryland's depth and top-ranked attack proved to be too much for the Big Red.

The Terps won 17 of 25 face-offs, led by Chris Nohe's 6 of 9 performance and Brian Haggerty's 10 of 14 effort. Maryland also outshot the Big Red 39-32.

The game proved to be Maryland's most physical of the season as both team's combined for 15 penalties. Each squad converted two extra-man opportunities; the Big Red had nine extra-man opportunities to the Terps' six.

Other multiple-goal scorers for the Terps were Andrew Whipple and Scott Hochstadt as each added two. Cornell's Ian Hafner and Matt Wise scored two apiece as well.

Game 6 • March 21 • Chapel Hill, N.C.
#2 Maryland 12, #9 No. Carolina 11

Ninth-ranked North Carolina remained the most snakebitten team in the country, dropping a heartbreaking 12-11 decision to the second-ranked Maryland Terrapins at Navy Field. A goal by Maryland's Scott Hochstadt with 6:57 remaining in the third quarter broke an 8-8 tie and put the Terrapins ahead for good. The Terrapins maintained a two-goal lead for most of the final 22 minutes of the game although Carolina did cut the lead to one goal on three different occasions, the last with 1:27 to play on a goal by freshman Jeff Sonke, assisted by Matt Crofton.

Carolina got the ball back on the ensuing faceoff but Justin Bowman's shot was saved by the Terrapins' Kevin Healy. The Terps maintained possession and ran out the clock to capture the victory.

The Terrapins moved to 6-0 overall and 2-0 in the ACC. Carolina fell to 2-4 overall and 0-2 in the ACC.

After the Terps jumped off to a 2-0 lead 5:30 into the game, Carolina responded by scoring four goals in a row to lead 4-2 with 12:05 left in the second quarter. Bowman had three of the Tar Heels' four goals in that run. After UNC's lead grew to 6-3, the Terrapins scored four goals in the last 4:06 of the first half to take control of the game. Senior attackman Andrew Whipple had two goals and one assist in that span.

Goals by Billy Walsh and Chase Martin in the first 3:48 of the third quarter gave Carolina its last lead of the game at 8-7. But Brian Zeller scored one of his three goals to tie the game with 9:33 left in the third quarter and then Hochstadt put the Terrapins up for good with 6:57 left in the period.

Game 7 • March 28 • College Park, Md.
#2 Maryland 14, #5 Virginia 9

The second-ranked Terrapins defeated No. 5 Virginia, 14-9, to clinch their first outright regular season ACC title since 1989. Maryland improved to 7-0, its best start since the 1987 season.

Maryland scored four unanswered goals in 3:17 en route to outscoring Virginia 6-2 in the third quarter. Maryland's two-time All-America senior attackman Matt Hahn scored four goals, including three in the Terps' third quarter run, to lead the Terps.

Hahn's hat trick was the 21st of his career and extended his consecutive point-scoring streak to 52 games. His four goals on the afternoon upped his career total to 117 and placed him in a tie for fourth place on the school's all-time list with Jim Wilkerson.

The Terps received career days at the face-off position and in the cage. Maryland face-off specialist Brian Haggerty posted a career-high tying 19 face-off wins, including nine consecutive draws between the second and third quarters. Terp sophomore goalie Kevin Healy registered a career-best 24 saves, including seven in the opening quarter and nine in the final quarter.

The Terps led 6-4 at the half before opening things up in the third quarter. Hahn scored his first of the afternoon on an extra-man opportunity just 18 seconds into the quarter. Hahn would complete the hat trick at the 11:25 mark of the third to put the Terps ahead 10-4.

Game 8 • April 4 • College Park, Md.
#1 Maryland 21, #14 Navy 7

No. 1 Maryland exploded to score a season-high 21 goals en route to a convincing 21-7 victory over No. 14 Navy at Byrd Stadium. The victory made the 1998 seniors the winningest class in school history as they earned their 41st win since coming to College Park in 1995.

The game was never in jeopardy as the Terps scored on their first three shots and led 6-0 at the end of the first quarter. Maryland led 10-6 at the half and 18-4 after three quarters.

The 14-goal margin of victory was the largest Maryland win in a series that began in 1912. The Terps received goals from 14 different players, including three from Matt Hahn and Marc Sullivan.

Hahn's three goals gave him 120 for his career and moved him into sole possession of fourth place on the school's all-time list. He also extended his consecutive point scoring streak to 53 games.

Scott Hochstadt led Maryland in scoring, netting a career-high tying six points on two goals and four assists.

Maryland extended its winning streak to eight, the longest in the nation. The Terps won for the 13th time in 14 games dating back to April 26, 1997.

Game 9 • April 11 • Baltimore, Md.
#6 Johns Hopkins 10, #1 Maryland 6

A.J. Haugen and Dylan Schlott each scored three goals and goalkeeper Brian Carcaterra recorded a career-high 22 saves to lead sixth-ranked Johns Hopkins to a 10-6 victory over top-ranked Maryland in front of 10,219 at Homewood Field. The victory was the fifth straight for the Blue Jays and improved their record to 7-2, while the loss dropped the Terrapins to 8-1.

Haugen scored his third goal of the game with 13:57 remaining in the fourth quarter to spark a decisive four-goal Blue Jay outburst. Schlott then added two of his three goals around the second goal from senior Andrew Godfrey as Hopkins outscored the Terps 4-0 in the final quarter.

Maryland had erased a 6-2 halftime deficit by outscoring the Blue Jays 4-0 in the third quarter. A pair of extra-man goals by Matt Hahn and Bill Ruhl in the first three minutes of the quarter cut the lead to 6-4, and Boh Hanna and Scott Hochstadt each tallied later in the third period to tie the game at six, setting the stage for Hopkins' final run.

Carceterra posted 14 saves in the first half, helping Hopkins to the 6-2 halftime advantage. He followed his first half performance with eight more saves in the second-half. Maryland goalie Kevin Healy made 22 saves.

Andrew Whipple led the Maryland attack with one goal and two assists, while Hochstadt added two goals.

Game 10 • April 17 • Charlottesville, Va.
ACC Semifinal
#2 Maryland 13, #14 North Carolina 8

The Maryland Terrapins, led by Matt Hahn's three goals in the final quarter, broke open a 6-6 game and went on to a 13-8 victory in the first semifinal of the 1998 ACC Men's Lacrosse Championships. With the score tied at six after three quarters of play, Maryland's Erik Osberg assisted on a pair of goals in the first minute of the fourth quarter to give the Terrapins the lead for good.

North Carolina opened the scoring in the game with a bounce shot from Justin Bowman six minutes into the contest. The Terrapins answered with the final three goals of the quarter as Andrew Whipple and Hahn both assisted and scored for the Terps' first two goals and Brian Zeller scored from Frank Radin with just 33 seconds remaining in the period to give Maryland the 3-1 advantage at the break.

UNC's Jeremy Carey opened the scoring in the second quarter just 42 seconds into the period with a dive to cut the deficit to one. Hahn doubled the margin four minutes later as he stuffed in a rebound to make the score 4-2. Carolina went on a 2-0 run in two minutes as Chase Martin and Billy Walsh both tallied for the Tar Heels to tie the score at 4-4. But Maryland's Whipple put the Terps up by one at the break with an unassisted dodge with 4:55 to go in the first half.

North Carolina tied the game for a second time as Jeff Sonke took a pass from Bowman to the cage two minutes into the second half on an extra-man situation. Whipple again put Maryland up by one a minute later, but Bowman scored his second goal with just over ten minutes remaining in the third quarter. The teams held each other scoreless for the final ten minutes of the third quarter, setting the stage for Hahn's heroics.

Game 11 • April 19 • Charlottesville, Va.
ACC Championship
#2 Maryland 14, #5 Virginia 11
TERPS WIN ACC CHAMPIONSHIP

The Maryland Terrapins, led by Matt Hahn's two goals in the third quarter in an 80-second span, claimed their first ACC Tournament championship with a 14-11 defeat of Virginia in rain-soaked Charlottesville.

Virginia started the scoring 25 seconds into the game with a Jay Jalbert goal, giving the Cavaliers the early lead. But the Terrapins stormed back with three consecutive goals, the first two coming from Scott Hochstadt, who had a game-high seven goals. The Cavaliers answered with a two-goal run of their own as David Baruch scored from Drew McKnight and David Wren tied the game with an assist from Tucker Radehaugh. After Jalbert was whistled for being offside, Maryland went ahead with a goal from Hochstadt, giving the Terrapins the lead again. The Cavaliers answered with a goal from Michael Leahy as Radehaugh notched his second assist, knotting the score at four at the end of the first period.

Maryland took the lead in the second quarter as Hahn took a pass from Marcus LaChapelle to the cage 35 seconds into the quarter. Jalbert tied the game for the Cavaliers a second time with an unassisted blast from the left side. Virginia went up with 5:26 left in the half as Leahy scored his second goal, but tournament MVP Hochstadt answered right back for the Terrapins with a goal less than a minute later to send the teams into the break knotted at six.

Hahn's two goals in the beginning of the third quarter gave the Terrapins a lead they would not relinquish. Virginia's Drew Melchionni cut the lead to one as he scored unassisted five minutes into the third quarter, but the Terrapins scored twice in two minutes to take a three-goal lead. Brian Zeller converted one of Andrew Whipple's game-high five assists and Hochstadt scored his fifth goal to give the Terrapins the three-goal cushion.

The Terps captured their first ACC Tournament Championship with a 14-11 win over Virginia in Charlottesville on April 19.

Game 12 • April 25 • Piscataway, N.J.
#1 Maryland 16, #16 Rutgers 11

Despite outshooting No. 1 Maryland by a 39-34 margin and winning 18 of 31 face-offs, Rutgers dropped a 16-11 decision in front of 1,812 fans in its home finale at Yurcak Field.

Rutgers (7-6) jumped to a 3-1 lead midway through the first quarter on a pair of goals from freshman Keith Cromwell and one from junior Brody Bush but Maryland ripped off six straight goals over a 12:15 span to take the lead for good. The Terps outscored Rutgers 7-2 over the final 20 minutes of the first half to take an 8-5 lead into halftime.

Maryland (11-1) scored seven of the first nine goals in the second half to widen the margin to 15-7 with just over nine minutes remaining in the game. Rutgers fought back with four straight goals in a 4:03 span to cut the lead to 15-11, but Maryland answered to close the scoring at 16-11.

Maryland's Scott Hochstadt led all scoring in the game with four goals and four assists. Maryland starter Kevin Healy turned away 12 shots and backup Sean Keenan made three saves. Rutgers' senior goalie Mike Zoanetti made nine saves between the pipes.

Game 13 • May 2 • Baltimore, Md.
#18 UMBC 12, #1 Maryland 8

UMBC (9-4) staked its claim to receive a bid to the NCAA Men's Lacrosse Tournament as it stunned #1 Maryland (11-2), 12-8, before 1,557 fans at UMBC Stadium.

With the game tied 8-8, junior attackman Chris Turner converted a feed from defensemen Zach Burke on a fast break to give UMBC a 9-8 lead with 3:36 remaining. Just 45 seconds later, Turner fed senior midfielder John McDonnell, whose hard shot sped past Terps' goalie Kevin Healy. Forty seconds later, sophomore attackman Dan Marohl finished on a fast break, and Turner scored again with four seconds remaining to seal the victory.

McDonnell scored four goals for the Retrievers, while Turner added a pair of goals and three assists. Marohl and Tim Hahn also scored twice for UMBC. Senior attackman Matt Hahn scored four goals to lead Maryland, while junior attackman Scott Hochstadt added two goals and three assists.

UMBC started strongly, taking a 3-1 lead on a pair of goals by McDonnell and one from Tim Hahn in the first 11:16 of the game. But Maryland fought back to tie the game at halftime, 5-5, on a goal by Boh Hanna with eight seconds left in the half. Matt Hahn tallied twice in the first 5:07 of the third period to give Maryland its first lead of the game, but UMBC scored three straight goals, before Matt Hahn tied the game at 8-8 with 6:36 left to play.

Maryland outshot UMBC, 45-32, but Retriever goalie Andrew Hampton made 14 saves. Healy recorded six saves for the Terps. Maryland also dominated the face-offs, winning 15 of 21.

Third Team All-American Matt Hahn

Game 14 • May 10 • Baltimore, Md.
NCAA First Round
#5 Maryland 18, Butler 10

Matt Hahn scored four goals to lead fifth-seeded Maryland to an 18-10 victory over unseeded Butler in the first round of the NCAA Tournament at Homewood Field on the campus of Johns Hopkins. Maryland advanced to the quarterfinals of the tournament and moved its record to 12-2 while the loss ended Butler's season with an 11-4 record.

Hahn became Maryland's all-time leading scorer on his first goal of the game with two seconds remaining in the first quarter. He moved past Rob Wurzburger who scored 137 goals for the Terps from 1988-91. Hahn added three more goals on the day to give him a total of 141.

Maryland scored five goals in the first quarter and five in the second to take command of the game. The Terps benefited from an 8-1 run midway through the half to turn a 2-2 tie into a 10-3 advantage. Seniors Bob Hanna and Andrew Whipple and junior Scott Hochstadt scored two goals each in the first half. Whipple totaled three goals and five assists for a career-high tying eight points for the game.

Junior Brian Haggerty won 20 of 31 face-off tries during the game and sophomore goalie Kevin Healy recorded 10 saves.

Cory Kahoun scored four goals for the Bulldogs who qualified for their first-ever NCAA Tournament appearance.

Game 15 • May 17 • College Park, Md.
NCAA Quarterfinals
#5 Maryland 11, #3 Johns Hopkins 10 - OT

Brian Zeller scored the game-winning goal with 25 seconds remaining in the first overtime period to give fifth-seeded Maryland an 11-10 victory over fourth-seeded Johns Hopkins before 11,261 at Byrd Stadium.

Maryland improved to 13-2 on the season before Hopkins' ended its season with a 10-4 record. The 13 victories for the Terps established a new single season record.

Zeller scored his third goal of the day and 19th of the season after 3:35 had elapsed in the first four-minute sudden-death overtime period. The unassisted goal came from the left side of the cage and bounced off Blue Jay Rob Doerr, goalie Brian Carcaterra and the post before making its way into the net.

Zeller's goal capped a wild game of runs and comebacks. After the Terps fell behind 4-3 in the first quarter, they scored eight of the next 10 goals to take a 10-6 lead at the end of the third quarter. After trailing 6-5 at halftime, the Terps outscored the Blue Jays 5-0 in the third quarter. Johns Hopkins rallied in the fourth quarter, outscoring Maryland 4-0, to tie the game at 10-10. The game tying-goal by Andrew Godfrey came with 1:51 remaining in regulation.

Brian Haggerty won the face-off to begin the overtime period and Maryland was able to hold the ball until Zeller hit the game- winning shot. The Terps took four high percentage shots before Zeller's shot found the back of the net.

Scott Hochstadt scored a game-high four goals while Matt Hahn scored three, to mark his 60th straight game with at least one point. In addition to his three goals, Zeller added two assists for a career-high five points.

The victory gave Terps' head coach Dick Edell his 137th victory in 15 seasons at Maryland, tying former Virginia head coach Jim Adams as the winningest coach in ACC men's lacrosse history.

Game 16 • May 23 • Piscataway, N.J.
NCAA Semifinal
#5 Maryland 19, #1 Loyola 8

Matt Hahn scored five goals while Andrew Whipple added two goals and five assists, as Maryland rolled over Loyola, 19-8, in an NCAA Division I men's lacrosse semifinal at Rutgers. The Terrapins advanced to the championship game to face Princeton, which defeated Syracuse, 11-10, in the other semifinal.

The Terrapins jumped all over the top-seeded Greyhounds early, scoring the game's first six goals. Maryland outscored Loyola 5-0 in the first period - the first time that a defense has posted a first-period shutout in a national semifinal since 1985.

Bob Hanna and Scott Hochstadt each tallied twice in that early run that essentially put the Greyhounds away. Tim O'Shea finally broke through for Loyola with 7:22 remaining in the first half. But the Terps scored the final four goals of the half and led 10-1 at the intermission.

"I can't tell you how proud and excited I am of this team," said Maryland head coach Dick Edell, who became the all-time winningest coach in ACC history with his 138th victory, passing Virginia's Jim Adams. "It's special what the class of 1998 means to me. I have a wonderful coaching staff and I don't know how much more the kids could have been prepared today."

Loyola made one final run, scoring the first two goals of the third period to narrow the deficit to 10-3 after just 1:01 of play. But Maryland went on another 6-0 run, including two goals from Whipple, to put any threat of a Greyhound comeback to rest.

"Maryland was just better than us from the opening whistle," said Loyola head coach Dave Cottle. "We had our ears boxed a little today. We're hoping that we can learn something from this because we have a lot of players returning. We'll be better the next time we're here ... I promise you."

Maryland's 11-goal victory tied the second-largest win margin ever in an NCAA semifinal. Cornell's 22-6 triumph over Navy in 1977 was the largest margin on record. The Terrapins, 14-2 overall, moved into the NCAA championship game for the ninth time in the program's history. Maryland won the title in 1973 and 1975 and has been runner-up on six occasions (1971-74-76-79-95-97).

Game 17 • May 25 • Piscataway, N.J.
NCAA Championship
#2 Princeton 15, #5 Maryland 5

Princeton broke open a 3-3 halftime game with five unanswered goals at the start of the third period and went on to defeat Maryland, 15-5, to win its third consecutive NCAA Division I men's lacrosse championship.

Corey Popham recorded 17 saves in net for the Tigers and received the most outstanding player of the game honors. Princeton, winners of 42 of its last 43 games, finished the year at 14-1, while Maryland ended the season at 14-3.

Brian Zeller opened the scoring for the Terrapins just 2:30 into the contest. Smith tied the game at 1-1 for the Tigers with an unassisted tally with 6:30 left and a John Wynne tally a minute later put Princeton up 2-1.

Chris Massey opened the second period with a goal from Rob Torti to give the Tigers a 3-1 advantage. Maryland battled back to knot the score at 3-3 on goals from Frank Radin and Bob Hanna.

Princeton put the game away with five goals in a 7:57 stretch of the third period. Smith notched the game-winner, converting a pass from Jon Hess just 2:28 into the quarter. A muffed pass between Brian Reese and Kevin Healy led to an easy goal for Hess to make it 5-3, then Josh Sims scored unassisted just 32 seconds later to make it a three-goal game. Hess scored again less than a minute later and Massey capped the run with his second goal with 4:35 left in the quarter.

A pair of Scott Hochstadt goals, including one with 12:47 to go in the fourth quarter, brought the Terrapins back to within 8-5, but the Tigers scored the game's final seven goals. Jesse Hubbard tallied all four of his goals during the final 10:30.

Hubbard led the Tiger attack with four goals and an assist, while Hess and Massey had two goals and four assists and three goals and one assist, respectively. Hochstadt led Maryland with two goals.

"I salute Bill Tierney and the Princeton University lacrosse team," said Maryland head coach Dick Edell. "They are truly the champion. They were a better team today. We came up short all day. I am in awe of Billy's teams. They have a wonderful program and have raised the bar for all of us to reach to."

Matt Hahn, who had scored at least one point in every game of his career (62 games), was held scoreless by the Tiger defense.
